This Technical Service Bulletin replaces 02T0-8. Discard 02T0-8 and replace it with this Service/Parts Topic.

This Technical Service Bulletin introduces new lower engine gasket sets which can be purchased for smaller repairs.

The old lower gasket set for the QSK60, Part Number 4089148, and a lower gasket set for the QSK45, Part Number 4066323, are large sets with numerous different o-rings, seals, and hoses. The new gaskets sets are divided into specific components on the engine.

A combination of the new, smaller, lower gasket sets are equivalent to the original larger, obsolete, lower gasket set.
