New QSK45 and QSK60 Low Temperature Aftercooler (LTA) Circuit T-Piece Connection

New QSK45 and QSK60 Low Temperature Aftercooler (LTA) Circuit T-Piece Connection

Warranty Statement

The information in this document has no effect on present warranty coverage or repair practices, nor does it authorize TRP or Campaign actions.

Contents

This document announces the release of a new Low Temperature Aftercooler (LTA) circuit T-piece connection, Part Number 3647133. This new part is a fully cast component that replaces the previous fabricated T-piece connection, Part Number 3332158. This T-piece connection is used to connect the LTA pump to the radiator piping. The ESN first for the new Low Temperature Aftercooler (LTA) circuit T-piece connection is 33192732.
