Customer Communication

Traceability of valves ReCon® Cylinder heads is found on stem of valve as shown in Figures 1 and 2.

Figure 1, Valve Stem with Traceability Code.

Figure 2, Valve Stem with Traceability Code.

If no traceability code exists on the valve stem, reference the cylinder head serial number as shown in Figures 3 and 4 below.

Figure 3, Cylinder Head Serial Number and Part Number Location.

Figure 4, Cylinder Head Serial Number and Part Number.

Contact Cummins Care™ and provide the cylinder head serial number to get more details regarding the valves.
