Duplicate Kit Installations

Duplicate Kit Installations

The purpose of this document is to guide the user through the installation steps for the kits being combined to decrease duplicate kits. This is due to an improvement process.

The parts listed in Table 1 are the kits that have been combined and their instructions.

Table 1.

Purchased Part Number	Description	Part Number Replaced	Service Notes
4030118	Wastegate Actuator Kit	4030214	Kits were identical.
