New Eliminator™ Centrifuge Bearing Tube With a Cast Bushing

New Eliminator™ Centrifuge Bearing Tube With a Cast Bushing

Warranty Statement

The information in this document has no effect on present warranty coverage or repair practices, nor does it authorize TRP or Campaign actions.

Contents

This document announces the release of a new Eliminator™ centrifuge bearing tube with a cast bushing on KV38 and KV50 and QSK38/QSK45/QSK50/QSK60/QSK78 (All Eliminators™). There is a new part number for the Eliminator™ centrifuge bearing tube with a cast bushing. The new bushing has a different material composition and is harder. The new part number is backward compatible for all Eliminators™.

Table 1 lists the new and old part numbers for the Eliminator™ centrifuge bearing tube.

Table 1, New Part Numbers for Eliminator™ Centrifuge Bearing Tube	
New Part Number	Old Part Number
