FH239 Series Industrial Pro™ Stage 1 Fuel Filter and Water Separator (FWS)

FH239 Series Industrial Pro™ Stage 1 Fuel Filter and Water Separator (FWS)

Warranty Statement

The information in this document has no effect on present warranty coverage or repair practices, nor does it authorize TRP or Campaign actions.

Contents

This document announces the improved FH239 Series Industrial Pro™ fuel filter and water separator (FWS), featuring NanoNet™ Technology for stage 1 filtration on all Cummins® high horsepower engines equipped with modular common rail fuel systems (MCRS). The new FH239 Series Industrial Pro™ FWS features the following improvements:

- Better filtration performance on all Cummins® MCRS engines (four times better than previous design)
- 500 hour fuel filter service intervals**
- Weight reduction
- Increased water holding capacity (five times more than previous design)
- Reduction in sealing joints
- Optional fuel heater

** Reference the Fuel Filter Change Intervals section of the Maintenance Schedule in the appropriate Operation and Maintenance Manual.

The improved FH239 Series Industrial Pro™ FWS comes in two sizes. The short version is to be used on the QSK 19 MCRS engines and the tall version is to be used on the QSK 38/50/60 MCRS engines. These were implemented in production in December of 2013.

The FH239 Series Industrial Pro™ FWS represents the latest advances in fuel filtration technology. Installation of the FH239 system will provide the highest level of protection for the fuel system through the use of the highest quality Cummins Filtration™ NanoNet™ filter elements. The filter element interface of the FH239 is proprietary and accepts **only** those part numbers listed in Table 2. All part numbers listed below may be purchased through Cummins Filtration™.

Table 1: FH239 Series Industrial Pro™ Housing Part Numbers

Engine Model	Fleetguard® Filter Housing Part Number	Description	Fuel In and Fuel Out
QSK19	FH23900	Short	In Right / Out Left
QSK19	FH23904	Short	In Left / Out Right
QSK38/50/60	FH23901	Tall	In Left / Out Right
QSK38/50/60	FH23903	Tall	In Right / Out Left
QSK38/50/60	FH23905	Tall	In Left / Out Left
QSK38/50/60	FH23906	Tall	In Right / Out Right

Table 2: FH239 Series Industrial Pro™ Filter Element Part Numbers

Engine Model	Fleetguard® Filter Element Part Number	Description
QSK19	FH53015	Short
QSK38/50/60	FH53014	Tall

Note : The FH234 Series Industrial Pro™ will continue to be available.
