Description of Change

This document announces a new stage 2 fuel filter that is designed to increase fuel filter life by reducing filter plugging from carboxylates and chemical contamination, while maintaining optimal protection against hard particles. This fuel filter also improves robustness of the center tube resulting in an increased filter collapse strength.

Service Instructions

For customers who are **not** reaching published fuel filter maintenance intervals using existing fuel filter part number, use new fuel filter part number.

Service Parts Availability

Service parts are available. See Table 1 for part numbers.

Table 1, Service Parts						
Part Description	Existing Part Number	Existing Cummins Filtration® Part Number	Obsolete	Superseded	New Part Number	New Cummins Filtration® Part Number
Fuel Filter	2881458	FF5782	Yes	Yes	5417137	FF5782 NN
Fuel Filter Decal	4309874	398241800	Yes	Yes	5376162	OS00844
